

EVERYONE'S HAPPY . . . Mayor Nick Drae offers Mrs. Robert Mowry, Junior Woman's club representative and secretary of the Scout Center organization, the lease for the proposed scout center building. Miss Nell Colburn of the YWCA is there to grant the 'Y's' permission to an amendment of their own lease boundaries.

Land Provided For Proposed Scout Center

The Torrance Scout Center group was definitely assured a location on Plaza del Amo next to the YWCA after the YWCA amended its lease boundaries for that purpose this week. This enabled the city council to lease the plot of ground to the scout center.

Plans for the proposed \$32,000 to \$35,000 building have been drawn free of charge by an architect and a lease has been secured from the city for the site, according to Mrs. Robert Mowry, secretary of the Torrance Scout Center organization.

The organization hopes that sufficient labor and materials will be donated to make the Scout Center a reality for the more than 4500 people who are connected with Scouting in the local area.

Civic groups and clubs which have banded together to further the community project, and their representatives, are Dr. Thurlow Weir, Kiwanis; Vernon W. Coll, American Legion; Dave Figueredo, Junior Chamber of Commerce; H. H. Cook, CIO Local 1414; Tom Ward, Civitan; Sam Van Wagner, Lions; A. E. Thompson, Rotary; Mrs. L. A. McCoy, Woman's Club; Mrs. Mowry, Junior Woman's Club; and Harold Massie, Optimists.

Officers of the Organization are W. E. Walton, chairman; Tommy Wilkes, vice-chairman; Mrs. Mowry, secretary; and Mrs. L. A. McCoy, treasurer.

KINDERGARTEN SUBJECT OF CO-OP PANEL

Last Monday evening in the high school cafeteria the Parent Education class of the Torrance Cooperative Nursery School heard a panel discussion on kindergarten expectations.

Following a turkey dinner, Mrs. Robert Evans, president, conducted a short business meeting, and then turned the program over to Mrs. Virginia Foyle, director, who served as moderator of the panel.

Miss Edna Chapman, Torrance school nurse, discussed the relationship between the child's health and the public school, and told the group of the immunization program available for all school children, as well as the dental health

clinic for those needing such care.

Mrs. Lyda Willis, kindergarten teacher from Evelyn Carr school, presented an outline of what parents might expect from their children in kindergarten, and also told how parents could prepare their children for kindergarten, especially stressing

the ability to listen.

Miss Miriam Brubaker, first grade teacher at Rolling Hills school, discussed reading by first graders, explaining why slow reading should not be discouraging.

A special meeting of the board of directors was held Tuesday evening at the home of

Mrs. Robert Evans, 1212 Felbar, and the regular board meeting will be held next Tuesday, June 1, at 820 Maple avenue, the home of Mrs. Maurice Hattem, at 7:30 p.m. Those interested in registering children between the ages of 2½ to 5 for the fall semester may contact Mrs. Bud Dahlen at FA 8-5370.
